

# **EAA CHAPTER 66**

## **KFMY-Page Field Fort Myers, FL Newsletter**

Hello, everybody. I just want to advise you on a few items that I think are important to our EAA66.

- 1). EAA66 has just been awarded Silver Chapter status for the 2020-2021 years. EAA has sent us a banner to hang up to celebrate this fine award. Look for it in the near future.
- 2). I have recently been made aware of the fact that a home built wooden airplane entitled “The Spirit of Ft Myers” has been acquired by a young couple from Central Fl. They advised me that they were going to donate it to the Ft Myers Imaginarium. This aircraft was originally built & flown by the 1st President of EAA66 prior to 1967. It was purchased from the museum at Lakeland Sun-n-Fun. It will be wonderful to have this historic aircraft back in Ft Myers.
- 3). Alas, I have no news about our hangar construction project. We are still awaiting news from the Lee County Port Authority to approve our project.
- 4). A GREAT CREW, who wants to remain anonymous, has installed extra electrical circuits for breakfast. This months breakfast was done without extra extension cords and no circuit breakers trippin.

And, as usual, our 1st Sunday activities of breakfast and Young Eagles has continued to ROCK! It always amazes me how members step up to fill the jobs that need to be done. I thank all who help out.

Smoke on...  
Steve Gagnon, POTEAA66

Stories, photos and announcements are welcome! Next months deadline is Tuesday 5/12.

## Young Eagles News

### June Young Eagles Rally

The rainy start to our weekend moved out and left a gorgeous morning for flying. We flew Eight new Young Eagles along with some glider building by some younger siblings. Congratulations to our newest Young Eagles: Dominic, Jace, Parker, Jordan, Logan, Liam, Natalie, and Rebekah. Thank you to Cristian, Seweryn, Sarah, Ahearn, Ayden, Logan, Blake, and Bryson and Nathanael for volunteering this morning. We were so happy to have Bryson back and he served as Air Boss this morning, yet you won't find him in any pictures. A special thanks to Dave, Tom, Anthony, and Chuck for flying this morning.

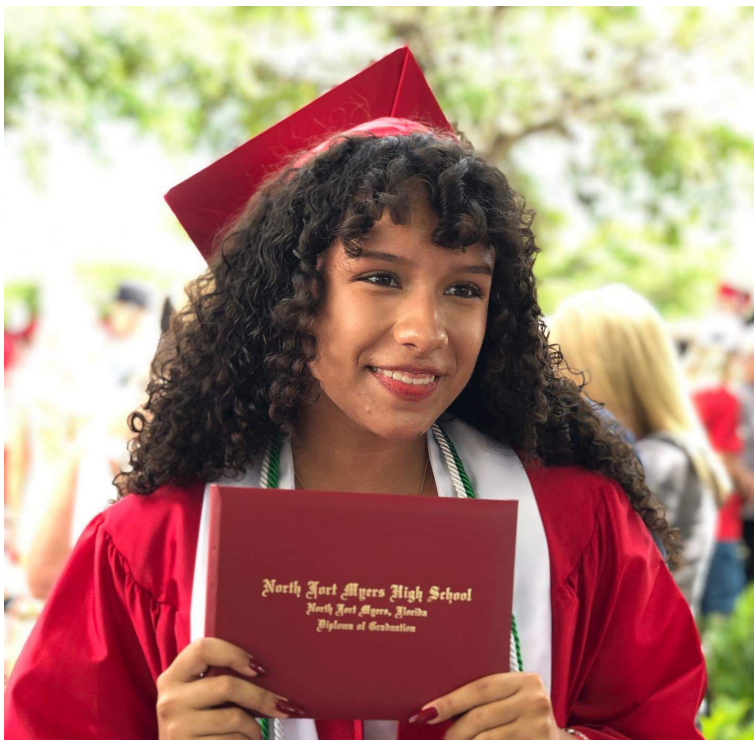

We have been limiting the number of EAA Young Eagle registrations during our summer months due to pilot availability. We are continuing to get requests from out of the area. Pilots if you are going to be in town for July and August please let me know ahead of time. July registrations were at 10 in just a few days. You can text Candy at 239.565.3725 or send a message through yeday.org

Lastly, EAA National just sent out a NOTAM about properly having Young Eagle registrations done correctly. We did have some issues at the June rally. Pilots please make sure you've signed on the iPad before your first flight. You only have to sign once. Also if you've changed your plane or are a new Young Eagle pilot, please make sure you've registered on YEday.org as a pilot. This makes the Young Eagle volunteer team responsibilities more streamlined.

Congratulations to Class of 2022 Graduates Bryson and Sarah!!! Bryson and Sarah have both been volunteering with our Young Eagles program for over a year. Bryson is headed to Florida Tech to pursue flight and Sarah is headed to the University of South Florida to study Pre-Med. We wish Bryson and Sarah the best of luck in this next chapter of their life journey and hope they come home often!!

### **Bryson Awarded Flight Scholarship**

This kudo is long long overdue!! Back in the fall Bryson saw one of the scholarships posted on our FB/Band feeds. He applied for it and a few months later was awarded the Matthew Shope Fly High Scholarship. Bryson finished up his full season of soccer and has started flight lessons in Punta Gorda. He is around 30 hours in and well on his way to earning his Private Pilot Certificate!! We are super excited and very proud of Bryson!!!

*The skies the limit*
